Tami,

I understand you have an EPA official who would like to meet with BBNC Board Members on Friday August 10<sup>th</sup>. Please have them contact me on my cell phone at: [REDACTED] as we will be in a board meeting all day. Assuming the Chairman can make time on the agenda, we can try to break from our meeting and spend a little time hearing from the BBNC Board and Management about our perspective on the EPA Watershed Assessment, Protection of Bristol Bay Salmon and our concerns about the proposed Pebble Mine.
